

Mensuration 2D and 3D

Course Schedule:

Introduction and Different 2D Shapes

externalvideo	Mensuration Introduction
externalvideo	Mensuration 2D Triangle
externalvideo	Mensuration 2D Quadrilateral
externalvideo	Curved Shapes
externalvideo	Regular Polygon

Rectangle

externalvideo	Rectangle Class 1
externalvideo	Rectangle Class 2
externalvideo	Rectangle Class 3
externalvideo	Square with rectangle
externalvideo	Circle With rectangle
externalvideo	Rectangle Other Conditions Questions

certification	Practice Questions based on Rectangle Only
certification	Practice Questions based on Rectangle with Others

Square

externalvideo	Square and its Diagonals
externalvideo	Square and its perimeter
externalvideo	Square Percentage Effects
externalvideo	Circle with Square Class 1
externalvideo	Circle With Square Class 2
externalvideo	Triangle With Square
certification	Practice Questions based on Square
externalvideo	Square With Other Conditions

Quadrilaterals & Polygons

externalvideo	Parallelogram - Concept and Tricks
externalvideo	Parallelogram Question Session

externalvideo	Rhombus - Concept and Tricks
externalvideo	Rhombus Question Session - Class 1
externalvideo	Rhombus Question Session - Class 2
externalvideo	Trapezium - Concept and Tricks
externalvideo	Trapezium Question Session
externalvideo	Triangle with Trapezium
externalvideo	Circle With Trapezium
externalvideo	Polygon - Concept and Questions
certification	Practice Questions on Quadrilaterals & Polygons

Triangle

externalvideo	Triangle - Concept and Tricks
externalvideo	Congruent Triangles
externalvideo	Similarity of Triangle
externalvideo	Medians in Triangles

externalvideo	Triangle Question Session 1
externalvideo	Triangle Question Session 2
externalvideo	Circle with Triangle - Class 1
externalvideo	Circle with Triangle - Class 2
externalvideo	Circle with Triangle - Class 3
externalvideo	Triangle with Other Conditions
certification	Practice Questions based on Triangle
certification	Practice Questions based on Triangle with Others

Circle

externalvideo	Circle - Concept and tricks
externalvideo	Circle Question Session 1
externalvideo	Circle Question Session 2
externalvideo	Circle Question Session 3
externalvideo	Square with Circle

externalvideo	Triangle with Circle
---------------	----------------------

externalvideo	Semi Circle - Concept & Tricks with Question Session
---------------	------------------------------------------------------

certification	Practice Questions based on Circle
---------------	------------------------------------

Mensuration 2D - Practice Quizzes

certification	Quiz 1 - Easy Level Questions
---------------	-------------------------------

certification	Quiz 2 - Moderate Level Questions
---------------	-----------------------------------

certification	Quiz 3 - Advanced Level Questions
---------------	-----------------------------------

Mensuration 2D Quizzes - Easy to Advanced Level

certification	Mesuration 2D Quiz - Easy Level
---------------	---------------------------------

certification	Mesuration 2D Quiz - Moderate Level
---------------	-------------------------------------

certification	Mesuration 2D Quiz - Advanced Level
---------------	-------------------------------------

Introduction to Mensuration 3D

externalvideo	Mensuration 3D Introduction - Session 1
---------------	-----------------------------------------

externalvideo	Mensuration 3D Introduction - Session 2
---------------	-----------------------------------------

Cube & Cuboid

--	--

externalvideo	Cube and Cuboid - Concept
externalvideo	Cube Question Session
externalvideo	Cuboid Question Session
certification	Mensuration 3D Practice Questions - Cube And Cuboid

Cone

externalvideo	Cone - Concept
certification	Mensuration 3D Practice Questions - Cone
externalvideo	Cone and Frustum - Concept

Sphere and Hemisphere

externalvideo	Sphere - Concept
externalvideo	Hemi Sphere Session 1
externalvideo	Hemi Sphere Session 2
certification	Practice Questions - Sphere
certification	Practice Questions - Hemisphere

Cylinder

externalvideo	Cylinder Session 1
externalvideo	Cylinder Session 2
certification	Practice Questions - Cylinder

Extra activity

Other 3D Shapes - Prism, Pyramid, Tetrahedron, Parallelopiped

externalvideo	Prism - Concept
externalvideo	Pyramid - Formula List
externalvideo	Pyramid - Question Session
externalvideo	Tetrahedron - Concept
externalvideo	Parallelopiped - Concept
certification	Mensuration 3D Practice Questions - Pyramid, Tetrahedron, Prism

Mixed Question Session

externalvideo	Mixed Question Session 1
externalvideo	Mixed Question Session 2
externalvideo	Mixed Question Session 3

externalvideo	Mixed Question Session 4

Mensuration 2D & 3D Revision Session

externalvideo	Mensuration 2D Revision - Rectangle
---------------	-------------------------------------

Mensuration 2D - Short Tricks

externalvideo	Mensuration 2D Revision - Square
---------------	----------------------------------

externalvideo	Mensuration 2D Revision - Parallelogram and Rhombus
---------------	-----------------------------------------------------

externalvideo	Mensuration 2D Revision - Trapezium
---------------	-------------------------------------

externalvideo	Mensuration 2D Revision - Polygon
---------------	-----------------------------------

externalvideo	Mensuration 2D Revision - Triangle - Types and Properties Riv.mp4
---------------	-------------------------------------------------------------------

externalvideo	Mensuration 2D Revision - Triangle - Medians
---------------	----------------------------------------------

externalvideo	Mensuration 2D Revision - Triangle Important Questions
---------------	--------------------------------------------------------

externalvideo	Mensuration 2D Revision - Triangle with Circles
---------------	-------------------------------------------------

externalvideo	Mensuration 2D Revision - Circle
---------------	----------------------------------

externalvideo	Mensuration 2D Revision - Circle with others
---------------	----------------------------------------------

externalvideo	Mensuration 3D Revision
---------------	-------------------------
